RESPONSE TO NOTICE OF NON-RESPONSIVE AMENDMENT

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Sir:

In response to the Office Action of March 6, 2008 regarding the amendment of November 29, 2007 which was determined to be non-responsive and setting a time period of one (1) month to respond, Applicants request that the period for response be restarted as the Office Action from the USPTO was not received by Applicants' representative.

In order to support the assertion that the Office Action of March 6, 2008 was not received, Applicants submit herewith the email notification from PAIR for March 6, 2008 (Attachment A) and e-office action spread sheet (Attachment B) for March 6, 2008. As can be seen, there is no mention of any communication for US Application No. 10/521,947. The Office Action was only discovered during routine monitoring of PAIR for application status.

Accordingly, Applicants respectfully request that the time period for correcting the response be reset.
